Dear Parents:

With the approach of Spring and the beautiful weather it certainly feels good to head outside and enjoy. As a staff we have been learning about the importance of unstructured play in the growth and development of children. According to the Canadian Public Health Association here are some benefits of unstructured play:

- *improves attention, concentration, and memory
- *increases physical activity levels
- *strengthens social and emotional learning.
- *supports resilience and self-regulation
- *improves mental health and well-being

Tomorrow we are beginning our "Free Fridays" recess/lunch play times. Students get to choose to play anywhere on the playground and engage in interactive and unstructured activities. The kindergartens have come up with the phrase "Extra Fun Friday." We look forward to tomorrow!

Next week an email will be sent with the link and access code to book student-led conferences with your child's teacher. These conference will be held on Wednesday, March 11 (2:00-7:30 pm) and Thursday, March 12 (2:00-4:30 pm). This is a time for your child to show all the progress they have made and to celebrate their success. If you would like to book a parent-teacher conference please speak with the teacher as to availability.

Reminders for Parents

Report cards are going to be published on March 6th and you will be able to access the information from the Family Portal. Please try to log into your account ahead of time to

make sure you have access. If you have any problems logging in please call the office for assistance.
