**P.A.C. President: Mrs. Melynn Krausse**

**Date: Thursday, April 30, 2020**

**Dear Parents:**

Our staff is really looking forward to seeing students and families tomorrow in our school car parade! Please remember to drive down the hill (50 ave) and turn right into the school parking lot to begin the parade. Please do not turn left into the school lot. Once in the lot, drive through the drop off/pick up lane. At the end of the lot turn right and head to the roundabout and if you have children in LFMSS you can continue on your way there. The parade starts at 10:00 am; be sure to make as much noise as you can!

Below are a few key messages about keeping our health and safety protocols during this parade:

- \*decorations that need to be made should be materials that you already have in your possession. We want to make sure that you are not going out to stores for nonessential items.
- \*remain in your vehicles at all time.
- \*Health and safety are a priority for our school community.
- \*We want to make sure we are all following provincial health office measures around health, safety, and physical distancing.
- \*We strongly encourage everyone to follow these rules to keep our community healthy and safe.

### **Reminders for Parents**

Thank you for sending me all those crazy hair photos! I am putting together a slide show so you and your children can enjoy.

If you haven't submitted your child's picture to their classroom teacher please do so asap. Since we did not have our class photo day I am making class collages instead. These will be available towards the end of May.

This is the time of year that we start to look ahead to next year. If you know that you are moving or will not be attending Langley Fundamental Elementary in the Fall, please let our office know (604-616-9479)
