Dear Parents:

Well this certainly was an interesting year but we made it! I was so thankful for the resilience of our children as they navigated so many challenging situations and circumstances this year. I hope that you all have a restful and refreshing summer holiday; with time to connect with family and friends. I look forward to working with you all in September.

You might have noticed all the orange ribbons tied to our front fence for honouring the 215. A special thanks to our committee of teachers, spearheaded by Ms. Younger, who discussed ways that we as a school could recognize this tragic event and create an age appropriate avenue of dialogue in our classrooms. As well, all students designed a special feather that was put together on our front display board.
