Dear Parents:

We are excited to announce that PowerPlay Young Entrepreneurs is coming to LFES once again! The Grade 5's have been busy expanding their entrepreneurial mindset by preparing their individual projects. Students have built a business around crafting and selling a product at our very own in-house entrepreneur fair. They are excited to interact with customers as they put their business plans into action selling one-of-a-kind, handcrafted products.

Giving back is a key part of connecting LFES with our community. A portion of our profits will be donated to a local charity of choice.

[Come and join us at the Young Entrepreneur Show on Monday, April 25th from 10:30am – 1:30pm in the gym.](#) Everyone is welcome!

Our brick wall project for the Gandidzanwa Primary School started this week and many divisions have already "bought" bricks for the school. Each brick is \$30 and we need 600 to build the kindergarten classrooms. This week, students are bringing in loonies and next week toonies (all coins/bills are welcome though). Once a brick is purchased the division number or family name (cash on line purchases) is written on our brick wall. Thanks for your generosity,

Reminders for Parents

Summer Session Information

Summer session information is available at www.sd35summersession.ca.

Daily Health Check and What to Do When Sick

*A friendly reminder to our students and visitors to complete a daily health check prior to boarding a bus or entering a school or District site such as the School Board Office. To help support families in doing their part to keep everyone safe, please review the **Daily Health Check and What to Do When Sick** guide [here](#). This contains a list of COVID-19 symptoms and guidance on what to do if you become ill. As always, the District is encouraging everyone to continue practice proper handwashing and staying home when sick.*

Lessons Learned from COVID-19: Survey

The province has launched an independent review and public consultation on the government's operational response to the COVID-19 pandemic to improve future preparations and responses to emergencies. The goal is to learn about how government agencies worked together to address the effects of COVID-19 that affected everyone and changed rapidly. To provide feedback, you are encouraged to complete an online survey [here](#) which is available in multiple languages versions. This survey will remain open until April 20, 2022 at 4:00pm. You can find more information [here](#).

Langley Book Of The Year

Congratulations to Gavin G., Emilia K., Anna K., and Jack M. for qualifying for our celebration lunch in May. So far, we have 20 students in grade 4 & 5 who qualify, but there is still time!

Reading Link Challenge

We had 12 teams compete on Monday, and a record number of 62 students competed. We even had a tiebreaker question between the two top teams. Our winning team; The Book Thieves (Holden E., Greyson G., Jessie M., Jio R. and Brian S.) will be competing on Tuesday, April 12th against other Langley schools in a virtual competition. The Royal Readers (Emilia K., Rayleigh P., Reese M., Katerina D., Keira B., and Kathleen D.) placed second and third place went to the Reading Rangers (Linden R., Gavin G., Marcus V., Merritt H., Silas P., and Finn S.).

Paws And Read!

April is the last month of our home reading program. We hope that you will keep reading in May and June even without a formal program to guide you. Prize draws will take place for March home reading between April 11th – 14th. Please return all March calendars by April 11th.
