### **Dear Parents:**

We are thrilled that the district track meet is going ahead this year. It is being held at McLeod Athletic Park on May 27th for qualifying grade 4 and 5 students. I am pleased to say that we have over 50 students attending this event. In the past, our students have always done exceptionally well in these track events because of our strong running emphasis with the kilometre club program.

Our Gandidzanwa fundraiser has now ended and we are very pleased with the coin drive donations! We raised \$7,251.36 for our brick project. The top contributors were: Division 12 (14 bricks), and a tie between Divisions 2 and 6 (36 bricks). Well done and thanks to everyone who participated. The total money needed to build 4 kindergarten classes is \$18,000. We look forward to continuing this project next year until it's completion.

### **Reminders for Parents**

If you are moving or leaving our school, please let your classroom teacher and the office know.

Remember to pull up to the front of the drive thru lane when dropping off or picking up your children. We try our best to keep the traffic flow moving and avoid congestion on the road. Your cooperation greatly helps in this area. If you have other family members pick up/drop off please share this information with them. Thanks.
