Dear Parents:

It's hard to believe that tomorrow is June 1st. The year has gone by so quickly. Thanks to all the parents, and other family members who came out last week to our Sports Day. The students had a fun-filled day with station events and tug-of-war competitions. The tug-of-war ended with a grade 5 vs. parents event where the rope actually broke. All in all a great day! As we approach June, many classroom year end events have been planned as well as our track and field meet, Grade 5 Farewell, final concert, Parent Appreciation Tea, new Kindergarten students orientation, and Grade 4 and 5 Awards Assembly. Be sure to check the up coming dates below for times and dates.

This is the time of year when we start thinking about next year and class placements. Please be reminded that teachers place your child with your child's best interests at heart. This is not an easy or simple task but rather takes considerable time and thought. Sometimes students need to be placed away from other students as well as balancing classes for girl/boy ratios and academic groupings. **Please do not request a particular teacher for your child.** If you have questions about placement have an open conversation with your current child's teacher about the type of environment you feel your child would thrive in, keeping in mind that your child's teacher has an excellent understanding of your child and how they interact with others and manage in the classroom environment. Thank you for your understanding in this area.

Reminders for Parents

Our final concert is on June 22 at 9:00 am. All parents are welcome to attend. Grades 3-5 are performing and the actors are from the grade 5 classes.

The school district is currently taking registrations for Summer Session. If you would like your child to participate in some skill building or challenge sessions this summer, be sure to visit the district website and sign them up.

Please avoid parking under the flagpoles as this area is for district personnel, fire and police cars. Thanks.

The BC Lions are having a staff and student appreciation game on June 16th. The Lions will donate back \$3 to our PAC for each adult ticket sold to this game. Please feel free to

share the link with family and friends. I have also included a poster at the end of this newsletter. Go Lions Go!

School Goals

Courage: Our team of Grade 5's are putting together the front foyer display for our final character goal this year.

Numeracy: Teachers are beginning to do their final assessments in numeracy and as a school goal we will be looking to see how our students have demonstrated improvement.
