### **Dear Parents:**

We are now in the final stretch of our school year. It's a good thing we are focusing on perseverance for our final character trait as we will need it to finish well. Thanks again for all the support you as a parent body provide to our school on a consistent basis. Our success is in working together.

This is the time of year when we experience some staff turnaround as members leave to take other positions and we welcome new members in. Here are a few changes that will be taking place so far this fall:

\*I would like to welcome Mrs. Peterson to our school as our new grade 5 teacher. This year she was job sharing with Mrs. McClelland but now has taken the full time Grade 5 position. Congratulations.

\*We are sad to see Mrs. Cox, Mr. Ironmonger, Mr. Powell, and Miss Toews leave us. We wish them all the best in their new schools.

If you have some new or gently used school supplies at the end of this school year that you are willing to donate, bins will be available at the front office as well as by the West exit doors from June 24-27. Please leave your items there and we will donate them to our partner Langley school to benefit students who are unable to purchase supplies for school. Please see attached poster for more details.

### **Reminders for Parents**

If you borrowed the large coffee maker from the PAC kitchen can you please let Melynn Krausse know or return it to the kitchen? It has been missing for a few weeks now. Thanks.

If you are not returning to our School this September, please inform the office so we are able to fill those spots. Thanks.

## Learning Commons News

Since we are in the process of our yearly inventory the library will be closed before and after school for the remainder of June. Yesterday was the deadline for all library books to be returned to the library. Please return all library books in order to avoid a bill for unreturned books, and submit money for all lost and damaged books by **Friday, June 14th**. Thank you for helping us to maintain our wonderful collection of books!

Sign up for summer reading through the Fraser Valley Regional Libraries. Our local representative from the Murrayville Library will be sharing about summer reading at an assembly on Friday, June 21<sup>st</sup>. Remember to keep your children’s reading logs and bring them to our school library the first week of September. We will displaying them on the bulletin board outside the library and students will also receive a prize for completing their summer reading logs.
